

# Yr 6 Jaguars Learning Activities - Week 12 15th June 2020

Please read through the activities with your grown-ups. Your parents/carers can send pictures of your learning or ask any questions via our email accounts:

[fionakeeling@st-bartholomews.brighton-hove.sch.uk](mailto:fionakeeling@st-bartholomews.brighton-hove.sch.uk)

[lizsoar@st-bartholomews.brighton-hove.sch.uk](mailto:lizsoar@st-bartholomews.brighton-hove.sch.uk)

Good luck and keep in touch! We look forward to seeing what you have all been up to

English	Maths	Topic	Motivation
<p><b><u>READ FOR 20 MINUTES EVERY DAY</u></b></p> <p>Let me know what you have been reading. Send me photos of you reading in your favourite places. Have any of you made a reading den yet?</p> <p><b>Reading Log</b></p>  <p>Let's see if we can fill this bookcase up with the books we read up until the end of term. Let me know and I will add to it!</p> <p><b><u>A PINCH OF MAGIC – MICHELLE HARRISON</u></b></p>  <p>Follow the link to listen to our class read. You should try to allow time to listen to a chapter each day.</p>	<p><b><u>WHITE ROSE MATHS LESSONS</u></b></p> <p>The lessons for this week are on the website. The focus is on <b>equations</b>, and <b>measures</b>, both imperial and metric.</p> <p><b><u>MISS SOAR'S MATHS CHALLENGES</u></b></p> <p>Have a go at any of these. They should get your brains going!</p> <p><b>Chicken and Sheep</b></p> <p>A farmer looks across a field of chicken and sheep. He counts 26 heads and 74 legs. How many chicken and sheep does he have?</p>   <p>Try to represent this problem in different ways: pictures, models, cubes, graph, algebra etc...</p>	<p><b><u>THE SALUTE</u></b></p> <p>The 'Black Power Salute' was first used in the 1968 Olympics. I would like you to fill this infamous clenched fist with the names of black people who inspire us today and words of positivity.</p>  <p>The template is on the website, or you can sketch your own.</p> 	<p><b><u>STICK TOWER CHALLENGE</u></b></p> <p>Go outside and find some sticks and take part in a stick tower challenge. You can use whatever you have at home to bind the sticks together – string, tape, ribbons, plasticine or anything else you can find. Split into two family teams and see who can build the tallest or work together to make one that is taller than the tallest person in your house!</p> <p><b><u>ART DRAWING 30 THINGS CHALLENGE</u></b></p> <p>Look at the items and instructions to draw under this grid. I'd love to see some fabulous examples. Have fun and be creative!</p>

English	Maths	Topic	Motivation
<p>Sometimes this will be 5 minutes, sometimes 20. Include this in your routine each day, maybe at bedtime or whilst you eat your breakfast.</p> <p><a href="http://www.worldbookday.com/stories/a-pinch-of-magic/">www.worldbookday.com/stories/a-pinch-of-magic/</a></p> <p>I would really like you to try to listen to this story. I think you will like it. I have attached a schedule so you can listen to it before the end of term. Here is the preview for the book:</p> <p><a href="https://www.youtube.com/watch?v=0J0Shv7nW-4">https://www.youtube.com/watch?v=0J0Shv7nW-4</a></p> <p><i>Three magical objects with the power to change their fate. Will they be enough to break the curse? Or will they lead the sisters even deeper into danger?</i></p> <p><b><u>FINISH THE WITCHY STORY</u></b> Read the <u>story starter</u> that I have attached to the class page. I'd love to see where you go with these. Remember to write as accurately as you can.</p>  <p>You may also want to have a go at answering some of the questions.</p> <p><b><u>DIARY</u></b> Let me know if you have been keeping a diary during this time.</p> <p><b><u>FEELINGS POSTER</u></b> Split a page in half, one side positive and one side negative feelings. E.g. solemn ☹️ joyous 😊 Think of as many words as you can for each side. Present it how you want, pictures, bubble writing. Go for it!</p>	<p><b>Consecutive Numbers</b></p> <p>Which numbers from 1 – 30 can be written as the sum of 2 consecutive numbers? What do you notice about these numbers?</p> <p>What two consecutive whole numbers add together to make 101, 4323 or 54 307? How do you know?</p> <p><b>Always, Sometimes, Never</b></p> <ul style="list-style-type: none"> <li>*All prime numbers are odd.</li> <li>*If the digits of any number add up to a multiple of 3, then the number is divisible by 3.</li> <li>*Multiplying by any number always makes the result larger.</li> <li>*Adding something to a number always makes it larger.</li> <li>*Subtracting something from a number always makes it smaller.</li> <li>*Dividing a number by something always makes it smaller.</li> </ul> <p>Explain if the above statements are 'always, sometimes or never' true. Make sure you back up your answers with examples.</p>	<p><b><u>RESIDENT EXPERT CIRCLE BOOKS</u></b></p>  <p>These look like a lot of fun and you are a creative bunch of Jaguars, so you will be brilliant at these!</p> <p>The template and instructions are attached to the class page on the website. Ultimately, it is 6 same sized circles (or more if you are feeling adventurous.)</p> <p>You are all experts at something. What do you really love? It might be a sport, a singer, a book, an animal, a family member. The choice is yours. Make it colourful and present it beautifully. I look forward to seeing your resident expert circle books.</p>	<p><b><u>PHOTO CHALLENGE</u></b></p> <p>I would like you to have a go at the 'flat lay photography challenge.' Spell out a word, using everyday items, to show me what you are grateful for in these tricky times. Look at the example below this grid.</p> <p><b><u>YOUTH SPORTS TRUST</u></b></p> <p>There are some fun short burst activities on here:</p> <p><a href="http://www.youthsportstrust.org/60-second-physical-activity-challenges">www.youthsportstrust.org/60-second-physical-activity-challenges</a></p> <p>Let me know how you get on. I'd love to see the photos of you giving some of these a go!</p>

# Art

## Art Drawing challenge:

- Draw all **30** images on the list. Each one must only be **5cm x 5cm**
- You can use any materials you like to draw the images with, for example - pen, pencil, collage, paint, digital etc.
- You can present them all on one sheet of A3 or several smaller sheets of A4 or A5.

Try to be as detailed and accurate as you can. You must complete all 30 drawings and remember that they have to all be 5cm x 5cm.

1. A building
2. A plant or flower
3. Something yellow
4. A weird creature
5. A view through a window
6. A fragment
7. Your favourite food
8. A toilet
9. Your street
10. Something rough
11. Your hand
12. Sweets
13. A green object
14. An empty space
15. Something spiky

16. Your front door
17. Inside your fridge
18. A smooth object
19. Something close up
20. A key
21. Something red
22. A knife and fork
23. Inside a bag
24. A mouth
25. Your eye
26. A reflection
27. An insect
28. A journey
29. Your feet
30. Your name using an interesting font.

If you can, take photos of your drawings and share them with your teacher.
