## Get into Music - Instrumental & Vocal Tuition

Dear Parent / Carer,

### Did your child return home today excited about music-making?

We hope so, because at school they experienced the thrill of seeing and hearing a demonstration of the **violin** which is available to learn at your child's school. Giving your child the chance to learn an instrument provides a fantastic opportunity to acquire a skill that will help them now, and in the future to develop a lifelong passion for music. Research shows that through learning an instrument young people can also:

- *raise their confidence and self-esteem, aspirations and achievements, and do better at school*
- *improve teamwork, concentration and many other skills for learning and for life*
- *meet and connect with new people, broaden their horizons and enrich their lives*
- *improve their well-being by becoming happier and healthier*

### Join us to help your child 'Get Into Music'

We'd like to invite you to a short meeting where you can meet the teachers and find out more about the lessons, fees, who's eligible for help with the cost of tuition and how to get an instrument.

**Date of the Meeting: Tuesday 25<sup>th</sup> June**

**Time: 15:30**

**Venue: St Bartholomew's**

If you would like to attend, or if you prefer someone to contact you about lessons for your child, please complete the reply slip below and return it to your child's school. Your child and any siblings are welcome to accompany you. If you are unable to attend you can apply for lessons online via our website which also features videos of young people demonstrating and talking about the different instruments available to learn.

Please visit [www.bhma.org.uk/tuition](http://www.bhma.org.uk/tuition) to apply for lessons and to find out more about the range of music making opportunities available.
