What Is a Refugee?

A refugee is a person who leaves the country they live in, to go and live in another country. If they receive **refugee status**, it means they can stay and live in the new country.

Why Do People Become Refugees?

Watch the video clip about Juliane's journey from Zimbabwe.

Watch video

Why do you think Juliane and her mother left the home where she was born?

How do you think she felt as she began her life in Britain?

How would you feel if you were forced to leave your home?

Glossary

refugee status: This is awarded to someone that the Home Office recognises as a refugee as described in the Refugee Convention. A person given refugee status is normally granted leave to remain in the UK for 5 years, and at the end of that time, they can apply for permanent permission to stay.

Refugee Council: The Refugee Council is one of the leading charities in the UK, working directly with refugees and supporting them to rebuild their lives.

Asylum: The protection granted by a state to someone who has left their home country as a political refugee.

Glossary

United Nations High Commissioner for Refugees: The dream of most refugees is to return home. When possible, UNHCR helps refugees return to their homeland. When refugees can't go back home, UNHCR helps them rebuild their lives in another country.

Save the Children: Save the Children believes every child deserves a future. In the UK and around the world, they give children a healthy start in life, the opportunity to learn and protection from harm. They do whatever it takes for children – every day and in times of crisis – transforming their lives and the future we all share.
