

Carrot Cookies (makes 12)

Ingredients:

- 1 tablespoon margarine
- 2 tablespoons of sugar
- 1 teaspoon of vanilla essence
- 6 tablespoons of self-raising flour (plain flour add 1/2 teaspoon of baking powder)
- 4 tablespoon of grated raw carrot
- 1 tablespoon of water

Method

Cream the fat and the sugar together with the vanilla essence

Mix in the grated carrot

Fold in the flour adding water as it gets dry

Drop spoonfuls onto greased tray and press down a little

Pre-heat oven to 200C

Sprinkle tops of cookies with extra sugar

Place in oven for 10- 15 minutes

PS Cinnamon added would be rather nice

What makes a Cubist portrait?

Instructions: Using a dice to roll, you will create a cubist portrait. Move from left to right to complete the face, with your dice determining what piece you will use.
